**The FamilyPlanner Calendar is the most popular Family Calendar in Australia.  
Once you try one, nothing else is ever as good!**

- Contains all Australian and New Zealand School Term Dates and Holidays
- Clever layout makes it so easy for your family to keep track of their busy lives
- More space in which to write compared to other calendars yet it takes up minimal wall-space
- Huge selection of reminder stickers to save you time and keep the kids amused
- Whiteboard at the bottom of the calendar for those urgent messages
- The year at a glance on the bottom of the whiteboard
- FamilyPlanner is one of the few calendars available in Australia which is designed and made in Australia
